

WHERE SOMETHING OLD,  
MEETS SOMETHING NEW

---

Lynnhurst combines the charm and character of a grand Victorian building, with the versatility of a modern wedding venue - offering the benefits of both for your big day.

The recently renovated ballroom can host parties of up to 170 for dinner and 200 for an evening reception. Guests can also enjoy our cocktail bar with original period features or relax in our modern conservatory – both of which are exclusive to you on your wedding day.

Our stunning landscaped gardens offer an all-year-round picture-perfect spot, and if you wish, we can also host your ceremony outside too.

If you desire a more intimate wedding, our charming smaller function suites are an excellent option for a romantic and magical celebration.

We look forward to hearing about your vision for your wedding day. Our experienced team are on hand to help you craft the perfect occasion in our spectacular Scottish venue.

# A LITTLE LUXURY, JUST FOR YOU

Our brand-new powder room is now available for exclusive use by our wedding couples. On the day, you'll be given a key to unlock this little piece of luxury.

Located just across from our ballroom, it features a soft velvet couch, a table for you to store personal items that you might want to access during the wedding day, a stunning dressing table with mirror and chair and en-suite toilet.

Whether you want to take time to sip your champagne and breathe in the moment, top up your lipstick, or slip-on comfortable shoes for dancing, this little room is especially for you.

A photograph of a luxurious hotel room. The room features a large bed with a tufted headboard, a chandelier, a dining table with two chairs, and a leather sofa. The walls are decorated with gold and blue accents, and the ceiling has intricate moldings. A semi-transparent text box is overlaid on the left side of the image.

“The accommodation was excellent,  
with an amazing honeymoon suite!  
And the wedding was unbelievable...”
